

The background image shows a busy healthcare camp. In the foreground, a person wearing a white turban and a light-colored shirt is leaning over a table, possibly assisting a patient. Behind them, several other people, some wearing turbans, are standing and talking. To the right, there are posters on a wall, one of which is for a dental clinic. The overall scene is a community health event.

Healthcare Langar Sewa Mansa District, Punjab August 2024
